Basic/Intermediate Handgun

Oct 12, 1-5pm

Basic to Intermediate Class will begin by learning basic range and firearm safety. Then we will cover the fundamentals of handling firearms, how they operate, and the features of a handgun. Once everyone is comfortable with, and safe in handling their handgun, then we will go into shooting fundamentals: mastering the grip, sight alignment, trigger control, follow through, and shot placement.

This class is designed for anyone new to pistol shooting, or those that want a refresher course to get back to the basics. Class size is limited to 12 people.
